This is a fun and affordable community event for you, your whole family and all your friends! Chicken owners throughout Portland will open their yards so you can see their coops and meet their chickens.

The Tour de Coops is a self-guided tour; you'll have the opportunity to visit 25 backyard chicken coops all over East Portland - getting to know your neighbors while learning and sharing urban chicken keeping ideas.

Enter the raffle to win one of two coops (made by [The Garden Coop](#) and [ModernCoop.com](#)), chicken feed and gift certificates donated by local nurseries and feed stores!

the grand prizes in this year's raffle -- tickets are on sale at retail locations starting July 17th.
